Dear Sir:

REQUEST FOR CERTIFICATE OF CORRECTION  
OF PATENT FOR APPLICANT'S MISTAKE (37 CFR § 1.323 and § 1.324)

This is a resubmission of the request for the issuance of a Certificate of  
Correction under 35 U.S.C. § 255 and 37 CFR § 1.323 and 35 U.S.C. § 256 and 37  
CFR § 1.324 for the above-identified patent. Attached hereto is Form PTO-1050 for use  
by the Office in issuing the Certificate of Correction.

An error appears in the patent regarding the Assignee name. This error is of a  
clerical nature or of a minor character, which was not the fault of this Patent and  
Trademark Office. The failure to include the correct assignee name on the PTOL-85B  
was inadvertent and made in good faith. Correction does not involve such changes in  
the patent as would constitute new matter or would require reexamination.

Issuance of the Certificate of Correction under 37 C.F.R. § 1.323 and § 1.324  
containing the correction is respectfully requested.

Total Petrochemicals Research Feluy states that it is the assignee of the entire right, title and interest in the above-identified patent by virtue of an assignment from the inventors, which were recorded in the Patent and Trademark Office on Reel 016949, Frame 0314, and as shown in the copy of the assignment enclosed herewith. The undersigned is authorized to act on behalf of the assignee.

The required fee of \$100.00 and the required processing fee of \$130.00 have been paid. However, if there are any additional fees required or any overpayments, the Commissioner is hereby authorized to charge or credit our Deposit Account No. 03-3345.

Respectfully submitted,
